SUMMARY

Marketing professional with experience across B2B startups, consulting, and SaaS environments, supporting brand strategy, business development, content creation, and commercial operations. Experienced in working closely with leadership teams on rebranding, event strategy, sales enablement, and lead generation initiatives, with a strong focus on execution and cross-functional collaboration.

SKILLS & TOOLS

Figma · Adobe Illustrator · HubSpot · Google Analytics · SEO · LinkedIn marketing · CMS website management · Webflow

WORK EXPERIENCE

Business Development and Marketing Generalist, Quantistry August 2024 – April 2026

- Led event strategy by researching international industry conferences and coordinating leadership planning meetings to prioritize participation and partnerships.
- Collaborated with leadership on investor decks, partnership presentations, and branded sales collateral.
- Coordinated the company rebrand with an external agency, acting as the primary liaison and overseeing rollout of the new brand and website.
- Led the creation and rollout of branded assets including email signatures, LinkedIn banners, letterheads, presentation templates, and other client-facing materials during the company rebrand.
- Owned the company website and digital presence, including landing pages, SEO, analytics, LinkedIn content, and lead generation support.

Product Marketing Intern, Leato February 2023 – August 2024

- Conducted high-volume LinkedIn prospecting, sourcing around 250 HR and People Operations contacts daily across Europe.
- Managed LinkedIn content creation and publishing to support brand visibility and lead generation.
- Supported B2B client operations for a learning & development SaaS platform, managing resource procurement, fulfillment coordination, and monthly invoicing for corporate accounts.

Digital Marketing Intern, Terceira Gest October 2021 – August 2022

- Led client meetings to define brand direction, tone of voice, and content strategy.
 - Planned and created social media content and marketing materials for multiple clients.
 - Produced copywriting for blogs, websites, social media, and promotional assets.
 - Designed branded assets and supported ad campaign execution.
-
